

2027 TICKET SALE FAQ

Please find below answers to Frequently Asked Questions about booking tickets for the Festival.

Further information about tickets for the 2027 Festival can be found [here](#).

WHEN DO TICKETS GO ON SALE?

GENERAL ADMISSION TICKETS ON SALE AT 9AM BST, SUNDAY, 4TH OCTOBER

WHERE CAN I BUY A TICKET?

Tickets will be sold exclusively at glastonbury.seetickets.com.

Please do not risk falling victim to touts and scams.

- **Do not share your registration details, payment information or pay money to anyone claiming they can get a ticket for you.**
- **They may jeopardise your chances of legitimately securing a ticket, and may also leave you at risk of fraud or data theft.**
- **The use of bots is a criminal offence, and any tickets suspected of being procured using automated or third-party software will be cancelled and refused admission.**

DO WE NEED TO BE REGISTERED TO BUY TICKETS?

Yes – as part of our ongoing efforts [against ticket touting](#), anyone who would like to attend the Festival will need to have registered in advance of the ticket sale.

Registration closed at 5pm BST on Friday 25th September and will remain closed until after the autumn ticket sales. If you are not already registered, it is not possible to book tickets in the autumn ticket sales, however there will be a chance to register again ahead of any resales in the Spring.

Even if you think you're already registered, we encourage you to please check / retrieve details of your existing registration well ahead of the ticket sales, [here](#).

We strongly advised that you submitted your registration at least 5 days before registration closes, to allow time to submit a new registration if you needed to, as without a valid registration number for each person for whom you wish to book a ticket, you will not be able to book tickets.

Please note, registration does not guarantee you a ticket (and in recent years, demand for tickets has outstripped supply).

Children aged 12 and under when the Festival gates open are admitted free of charge and do not need a ticket, and do not need to register.

WHAT IF I'VE ALREADY REGISTERED?

Even if you think you're already registered, we encourage you to please check / retrieve details of your existing registration well ahead of the ticket sales, [here](#).

If you registered prior to 2020 and intend to try and buy tickets in a future ticket sale, please check to see if you have any valid registrations [here](#).

And if you are booking with friends and family, please also encourage them to check their details well ahead of the ticket sales.

Please do not leave it until the last minute!

HOW MUCH DO TICKETS COST?

General admission tickets will cost £408 (including a £5 booking fee, plus £11.25 postage and packing per order) of which a £100 deposit is payable when booking in October, with the balance payable in the first week of April 2027.

HOW DO I BOOK?

Make sure you are in the waiting room at Glastonbury.seetickets.com at least 10 minutes before the sale is due to start to ensure you are allocated a place in the queue.

- Be ready by 8:50am BST for the general ticket sale on Sunday to ensure you are allocated a place in the queue.

If you log on after the sale has already started you will automatically be added to the back of the queue, so it's important to make sure you are online ready **at least 10 minutes** before the sale opens.

Once you are in the queue, a progress bar will indicate how close you are to reaching the booking page.

Please do not refresh this page or use multiple devices or tabs or you may lose your place in the queue and may be denied access if the system suspects you are using automated software.

We've tightened security measures to prevent any bots and make sure tickets go to genuine customers

To avoid getting flagged we'd advise taking the following steps.

- Don't use actions that might obscure or hide your IP address (such as Proxies or VPNs)
- Ad blockers or privacy tools and plugins can interfere with our bot protection, please ensure they are disabled or removed.
- Clear your cookies, and make sure your device and browser are up to date.

WHAT HAPPENS WHEN YOU GET TO THE FRONT OF THE QUEUE?

When you reach the front of the queue, you will be asked to enter the registration number and registered postcode for the lead booker and up to 5 other people for whom you are attempting to book tickets. You will have 10 minutes to complete this page before your session expires, however please note that Festival tickets are not allocated at this point.

When you proceed, the details you have provided will be displayed on the next page.

- Keep and leave your campsite tidy.

Buy Tickets

Any information entered after the timer expires will result in a failed transaction. Tickets are only allocated once your payment has been processed – so we would encourage you to enter your payment details swiftly (but accurately).

If the amount of traffic on the website is particularly high, you may see a reduced version of the See Tickets booking site, with a minimal holding page. This does not mean the site has crashed.

Depending on your device setting you may be offered other payment methods such as Google Pay or Apple Pay. It is your responsibility to ensure you are set up with the relevant service ahead of the sales to be able to use these methods. If you choose this option, it may show See Tickets' registered name of 'The Way Ahead Group' as the payee.

Please ensure you have access to any device needed to pass additional security questions from your card issuer.

IS IT POSSIBLE TO HAVE TICKETS IN MY BASKET BUT NOT BE ABLE TO COMPLETE THE PURCHASE?

Yes, tickets are not allocated until your payment has been processed. We encourage you to enter your payment details swiftly (but accurately) once you have added tickets to your basket in order to secure the tickets.

WILL USING MULTIPLE DEVICES INCREASE MY CHANCES OF GETTING TICKETS?

No, in fact it may harm your chances.

While we understand that everyone wants to have the best possible chance of booking a ticket, running multiple devices or tabs simultaneously to attempt to access the website may lead to your details being blocked, preventing you from buying a ticket. The same applies to sharing your registration details, cookies and QueueIDs with third parties.

Refreshing the page, using multiple tabs or many devices can look like suspicious behaviour and can harm your chances of getting through by triggering anti-bot software; therefore you must **stick to one tab/device per IP address** and please **do not refresh your page** once you are in the queue.

WHAT DOES 'ALL AVAILABLE TICKETS HAVE NOW BEEN ALLOCATED' MEAN?

Once orders are being processed for all the tickets that are available, it will no longer be possible to access the booking page, and you will see a message that 'All available tickets have now been allocated'. If you see this message, please refresh the page, as any orders which cannot be processed will be released back to sale.

Once all ticket purchases have been processed, the website will display a 'SOLD OUT' message and no more tickets will be released back to sale.

Even if you aren't successful in securing tickets in the ticket sales in October, you will have another chance to book in the Spring resales, when any returned tickets go back on sale.

OPTIONAL CHARITABLE PAYMENT

If you are successful in the ticket sale, having completed your booking you will be given the option to complete an additional charity payment. Your additional payment will be used by the Festival to make a donation to Médecins Sans Frontières / Doctors Without Borders (MSF) and Choose Love, to support their work providing medical care to those who need it most, and

supporting displaced people around the world, in areas affected by conflict, natural disasters and other humanitarian crises. Payments you make will be matched by the Festival up to a total of £100,000.

CAN I BUY A TICKET FROM ANYWHERE ELSE?

The demand for tickets has been high in recent years, but please DO NOT be tempted or fooled by bogus sellers. Tickets will be sold exclusively at glastonbury.seetickets.com, do not attempt to book tickets from third parties.

WHEN CAN I BOOK ACCOMMODATION, WATER BOTTLES OR CAR PARK TICKETS?

Further information about campervan/caravan tickets, tipis and pre-erected accommodation will be available on the Festival website later in the Autumn.

Car park tickets and water bottles will be available to add to your booking when paying your balance in the first week of April 2027.

WHAT ARE THE ACCESS FACILITIES & HOW DO I APPLY?

There are no separate weekend tickets for customers with accessibility requirements. Anyone wanting to attend the Festival must register and book tickets in the usual manner, as described above.

Once you have secured your Festival ticket please contact the Festival's Accessibility Team to request the link for the online Accessibility Application Form which will be available in December 2026.

Please note access to these facilities can reach capacity so we do recommend customers complete the Accessibility Application form and return this to us as early as they can.

WHAT IS THE 'WORTHY' PLEDGE?

When placing your deposit booking, you will be asked to sign our Worthy Pledge, agreeing that you will:

- Treat the fields and the people in them with kindness and respect.
- Only use the toilets provided and not pee on the land.
- Dispose of rubbish carefully using the correct bins.
- Keep your and leave your campsite tidy.
- Take all your belongings/camping gear home with you.

Please commit to this pledge and ask others to stick to it too, to help ensure a sustainable Festival. We would also encourage you to read the Festival's [full environmental policies](#).
